

KPH340.45

## 4.5t 2 Post Electro-Hydraulic Clear Floor Hoist

May 2023

The Ravaglioli KPH340.45 4.5t 2 Post Electro-Hydraulic Clear Floor Hoist with asymmetric arm design Provides more pickup points than ever before. Spot vehicles asymmetrically without obstruction and prevent door damage. Allows for ease of vehicle entry and exit by positioning vehicle doors in front or behind lift columns.

The top mounted pull design cylinder protects the piston inside of the carriage with two full stroke, heavy duty cylinders.

The KPH340.45 has spring operated arm restraints that disengage at floor level. Also includes single point lock release with anchor bolts included.

Other features include a padded shut-off bar to prevent damage caused by lifting a vehicle too high. A reliable, self-setting locking system with easy to reach lock latch handle. Powder coat finish that is more durable than conventional finishes.

The KPH340.45 features low-profile, oversized pads with extensions to raise most vehicles on the road today.

## SPECIFICATIONS, FEATURES AND BENEFITS

- Capacity 4000 kg
- Max. lifting height 1863 mm (1928 mm with extensions)
- Lifting time 54 seconds
- Min. pad height 100 mm
- Max. pad height 136 mm
- Column distance (internal) 2764 mm
- Drive-through width 2506 mm
- Max. usable height 3850 mm
- Surface coating powder coated
- Arm layout asymmetrical
- Telescopic front arms 2 stages
- Telescopic rear arms 2 stages
- Min. front arm length 715 mm
- Max. front arm length 1051 mm
- Min. rear arm length 775 mm
- Max. rear arm length 1138 mm
- Width 3334 mm
- Height 4000 mm
- Driving power 2.2 kW
- Weight 725 kg
