August 2023

The Alemlube HC1-YE-YE 1,000L IBC Spill Container Hardcover is a secure and weathertight cover designed specifically to fit the Alemlube SJ-510-001 1,000L IBC spill container.

Manufactured from 100% recyclable polyethylene that provides excellent chemical resistance, the HC1-YE-YE 1,000L IBC Spill Container Hardcover completely covers and surrounds an IBC protecting it from the elements to maintain its integrity and contents.

Featuring double swing doors with three-point locking mechanism and integrated venting panels which further adds to security and controlling climate conditions, the smart design of the roof allows for quick rainwater run-off to the rear when closed and locked.

Ample head space exists internally to accommodate IBC mixers, a funnel and pumps.

The Alemlube HC1-YE-YE 1,000L IBC Spill Container Hardcover is a must for all industries and trades and for handling & storage convenience arrives flat packed.
