Our popular 660AN grease gun now has a high quality quick release coupler option - the 660AFQRC.

This quick release grease gun coupler is heavy duty, works under high pressure and has a lock on option to allow both hands to be free while using.

The 660AFQRC manufactured in Germany, is a lever action 450g grease gun capable of delivering up to 1.1cc of grease per stroke.

It comes standard with a 30cm flexible extension and a quick release coupler for those difficult to get at lubrication points that fits all grease nipples.

Capable of generating grease pressures of up to 8,500psi (586bar), the 660AFQRC features the Twin Lock System that eliminates the possibility of dummy lubrication and the patented Ever-Flow System enabling it to handle thick/tacky grease in extreme temperature environments.

Reliable, dependable and genuinely heavy duty the 660AFQRC boasts a 4 year warranty and is guaranteed to perform and exceed your expectations.
